

## Max Power Solar Racking Systems Limited Warranty

### 25 Year Limited Product Warranty

Max power Solar warrants to the original purchaser ("Purchaser") of product(s) that it's ("Product") at the original installation site that the Product shall be free from defects in material and workmanship for a period of ten (25) years, except for the anodised finish, which finish shall be free from any major visible surface peeling, under normal atmospheric conditions for a period of five (5) years, from the purchase date of the Product by the original Purchaser.

The Finish Warranty does not apply to any foreign residue deposited on the finishor installations in corrosive environment.

The Finish Warranty does not cover minor color variations and damage to the Product that occurs during its shipment, storage, or installation. The Finish Warranty does not cover the superficial discoloration of Powder Coating

The 25 Year product warranty covers the structure and integrity of Max Power components, this warranty does not cover other products attached to Max power product components such as Solar Panels.

This Warranty shall be VOID if installation of the Product is not installed in accordance with MPS written installation instructions, MPS shall not be liable for consequential, contingent or incidental damages arising out of the use of the Product by Purchaser under any circumstances.

If within the specified Warranty periods the Product shall be proven to be defective, then MPS shall repair or replace the defective Product, or any part thereof, at MPS's sole discretion. Such repair or replacement shall completely satisfy and discharge all of MPS's liability with respect to this limited Warranty. Under no circumstances shall MPS be liable for special, indirect or consequential damages arising out of or related to use by Purchaser of the Product.
